INDIANA UTILITY  
REGULATORY COMMISSION

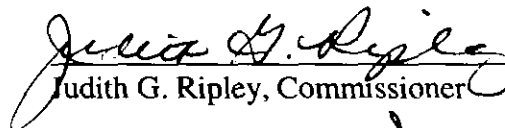

CAUSE NO. 42500

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") makes the following entry in this Cause:

On September 9, 2003, a Docket Entry was issued in this Cause that directed any person wishing to be identified as an initial party to a nine-month proceeding as set forth in the Federal Communications Commission's Triennial Review Order to file a petition with the Commission by September 29, 2003, or to file a response within twenty days of the date a petition was filed. Thereafter, interested persons can seek status as intervening parties to this Cause. The only petition to participate in a nine-month proceeding was filed on September 29, 2003, by Indiana Bell Telephone Company, Incorporated ("SBC Indiana"). Therefore, responses to this petition are due by October 20, 2003.

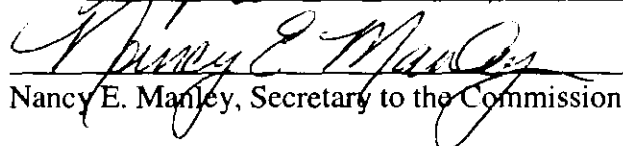

For planning purposes, the Presiding Officers find it appropriate to know as soon as possible who plans to file responses to SBC Indiana's petition. Therefore, in order to have as much advance notice as possible as to who plans to respond to SBC Indiana's petition to participate in a nine-month proceeding, any individual or entity planning to respond to this petition, should file a notice of intent to respond on or before October 8, 2003. This entry does not alter the response due date of October 20, 2003.

IT IS SO ORDERED.

  
Judith G. Ripley, Commissioner

  
William G. Divine, Administrative Law Judge

Date: September 30, 2003

  
Nancy E. Manley, Secretary to the Commission
